Happy New Year! Welcome to our first e-newsletter of 2012. In this issue you will find that your NEPADAS officers have been hard at work planning this year's Dental Assistants Recognition Week event. The registration form is included in this newsletter so be sure to submit it as space is limited. In addition, we are developing a Coronal Polishing Course for Expanded Function Dental Assistants. You will also find our new meeting schedule for this year. We would love to see you at the meetings so that we can get your input and ideas.
